

† Hong Kong District

❶ Praise God for helping us to re-dig the old wells of the Foursquare Gospel, and we all understand that we cannot only rely on excitement during meetings, our lives can only stay ablaze by igniting day by day, year after year. To do so, we need to develop in these five aspects: a) Building up our inner life: as life needs oil b) Building up our prayer altar: as altar needs fire c) Pursuing the outpouring of the Holy Spirit: to see manifestation of His power d) Preaching Gospel with passion: to turn dead water into living water e) Growing deep disciples: to pass the baton from generation to generation. ❷ May the Lord bless the preparations of the Good Friday Service (18/4), especially those workers and volunteers who involved. ❸ May the Lord continue to raise up prayer warriors to pray fervently for the District and for the President, we pray that the whole District may be able to enter His Destiny, to release His mighty works in the era that is full of difficulties.

† Elderly Service

❶ Pray for the healing of our colleagues who are ill, including the program worker at the Lung Hang Church Elderly Center, as well as other colleagues who are physically weak, have suffered accidental injuries, or are experiencing the recurrence of old ailments. ❷ Pray for the health of our Service Director, Miss Man, that she may recover completely and soon. ❸ We give thanks for the Lord's grace and provision. The Lung Hang Church Elderly Center and the Kin Sang Church Elderly Center have been serving the elderly for over 40 years and nearly 35 years, respectively. We ask the Lord to continue to empower us, enabling us to trust in Him, overcome difficulties, and dedicate ourselves not only to providing appropriate services for the elderly but also to enhancing communication and collaboration with church brothers and sisters, caring for the spiritual needs of the elderly, and witnessing Christ's love. ❹ We thank the Lord for His protection; the renovation project at the Lung Hang Church Elderly Center Sub-base was completed by the end of September, and services officially resumed on October 3. ❺ Pray for wisdom as we address the drainage issues at the Lung Hang Sub-base. ❻ We also need prayer for the staff transitions at both centers, as employees are gradually retiring or leaving. The team is adapting and adjusting. The addition of a new sub-base has created pressure for staff allocation, compounded by one program worker undergoing treatment for a serious illness and two social workers being pregnant. Our colleagues are truly facing numerous challenges.
