## † Elderly Service (Cont'd)

❶ Pray for the Lord to watch over the health of Miss Man, the Service Director, and grant her a full and speedy recovery. ❷ Thank the Lord for His protection, as the renovation project at Lung Hang Church Elderly Centre Sub-base was completed by the end of September last year and officially resumed services on October 3. However, in mid-October, a sewage pipe blockage occurred. Although repairs were carried out, the severe aging of the sewage pipes has made it impossible to fully resolve the issue. Regular monitoring and cleaning are necessary to prevent sewage backflows. Pray for the Lord's protection to avoid further incidents. ❸ The premises of the Lung Hang Church Elderly Center, located in the community center, have not undergone major renovation for many years and urgently need to replace flooring, fluorescent tubes, and some damaged furniture, as well as repaint the ceiling. We ask the Lord to grant us wisdom, capability, and the necessary resources. ❹ Please also pray for the staffing transitions at both centers. Staff members are retiring or resigning, and the teams are in the process of adaptation and adjustment. The addition of a new sub-base has brought staffing pressure. Moreover, one program worker is seriously ill and undergoing treatment, another program worker and an administrative assistant have resigned, and two social workers are pregnant. Recently, two more social workers have resigned, and there are performance issues with a senior program worker and a program worker. The challenges faced by the team are truly significant! ❺ Thank God for His provision. The Social Welfare Department has allocated funding to subsidized services for upgrading and improving existing information technology systems to achieve greater work efficiency and accuracy. This also includes conducting Security Risk Assessment and Audit and Privacy Impact Assessments. May the Lord grant us wisdom and capability to complete this challenging task.
